

Safety Plan

Safety At Work

- I can inform my supervisor about my current situation
- I can provide a picture of my abusive partner to individuals that may monitor security cameras or work at a main desk so they can identify an unsafe individual and notify you of them.
- I can discuss opportunities around changing my work schedule or work location with my supervisor
- I can change my benefit plans to remove my abuser
- When getting into work, I can:
 - Call the office line until I am safely in the building
 - Ask for a co-worker to walk me to the building
