

# Safety Plan

## Safety For My Pet

- I will take steps to prove ownership of my pet.
  - If I do not have ownership of the pet, but fear for its safety, I can contact 911 or animal protection agencies in my area
- I will have them vaccinated and licensed in the place where I live and that the registrations are done in my name.
- I will make sure my abusive partner is not listed as a contact for my pet's microchip.
- I can ask the following people to see if they can temporarily care for my pet:
  - My Veterinarian
  - My Local Humane Society
  - \_\_\_\_\_
  - \_\_\_\_\_
- I will pack the essentials if I choose to leave with my pet:
  - Pet Food
  - Pet Medication
  - Pet Medical Records
  - Pet's Favorite Toy
- If I get a Restraining Order, I can request placement of my pet if I am able to care for it,
  - With a Restraining Order I can also request protections for my pet from my abuser if the pet needs to remain in their care.
- After I have left, I can consider changing my pet's veterinarian and avoid leaving pets outside alone to ensure their long-term safety.
